

Well ---- it might be a little closer to winter ---- but we can always hope ----- come and show off your bridge skills at our Fall Fun Tournament.

So, when you are thinking whether you might like to play ----- **remember** ---

- Bridge is fun,
- We aren't playing for "cars",
- The worse you can do is "last" (and we have all been there), and
- The food is great!!

You have several choices when it comes to partners:

- if there is someone you are learning with or regularly play with, you can play with them
- if you would like to be paired with someone who regularly plays duplicate bridge or is an experienced player, we will work to make that happen!

All regular Tuesday night players will be asked to play with a **“new to duplicate”** bridge player or to invite someone who **does not** play regular Tuesday night bridge to be their partner.

Other differences:

- Cheat sheets will be allowed.
- Extra time will be allowed for the play of the hands.
